

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root, the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.

OUR GREAT SCHOOL INTERESTS.

Proceedings of the Board of Public Instruction for Marion County.

OCALA, FLA., Nov. 4, 1901.

The board of public instruction in and for Marion county met this day in regular session with the following members present: G. S. Scott, chairman; R. R. Blitch and B. I. Hull.

Minutes of last meeting read and approved.

Mr. F. E. Harris appeared before the board in behalf of the state fair and asked the board to encourage the attendance as much as possible, both with the teachers and pupils. A letter from Major E. W. Paubody saying that the railroads had offered rates to the pupils of Alachua county for the round trip at \$1.05, and where a school goes in the fair in a body with a teacher, the admission would be fifteen cents a piece. The board instructed the superintendent to notify all teachers that desired to attend the fair that they would be allowed to close school on Nov. 21st and 22nd and the time would be paid for the same as if they had taught school, but in no case will those days be paid for unless the teacher attends the fair.

A bill for each of the special tax school districts, from Alfred Ayer, for assessing the taxes for the several school districts was presented, but on account of not being clear as to who is to pay for this work, the bill was deferred for some information and authority as to who shall pay the assessor.

A communication was read from the town clerk of Anthony stating that the council had requested him to make application to the board to put a well on the school grounds at Anthony. The request was refused, as the board has already declared that they would make no new repairs nor buy any new furniture.

A bill from W. H. Anderson, of Ebenezer school was presented for a table and chair, but was refused.

The resignation of William Hope, supervisor of Mt. Pleasant colored school, was accepted and Hinton Howard appointed to fill the vacancy.

An increase of salary was asked for at Linadale and Summerfield, which was refused, and superintendent told to refer them to action of board at last meeting.

Several applications for assistant teachers were before the board, but all were refused, and the board declared that it would grant no assistants for any school during the remainder of the present term.

The following resolution was passed: That in view of the fact that the last legislature passed the law that all public schools shall observe the period from December 24th to January 1st, both days inclusive, as a vacation, and no one of these days shall be counted as taught in a teacher's report, it is the opinion of this board that to attempt to teach, either on Monday before Christmas or on Thursday and Friday after New Year, would be failures.

Therefore it is the order of this board that all schools in Marion county dismiss for the holidays at the close of the school on Friday December 20th, and open again on Monday January 5th, and that no teacher will be paid

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and find it to be a great remedy," says E. S. Phipps, of Poteau, Ark. "It cured me of bloody flux, I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. for any time taught between December 20th and January 5th.

The superintendent was instructed to notify all the teachers that Thanksgiving shall be given by all the schools in the county, and the teachers shall be paid just the same.

The resignation of W. S. Bullock, chairman of the board of trustees, for the Ocala special school district, was tendered and accepted, and the chairman and secretary of the board of public instruction were authorized to fill the vacancy.

Treasurer's report showing total receipts for the month, \$363.52; total disbursements, \$363.00; balance in treasury, 52 cents. Approved.

Cash in the hands of the treasurer for special districts as follows: Ocala, \$51.59; McIntosh, \$44.91; Belleview, \$1.00; total, \$97.50.

Reports and accounts amounting to \$5500 were examined, found correct, and ordered paid by warrants on the county treasury.

There being no further business the board adjourned.

W. D. CARN, Secretary.

A Raging, Roaring Flood

Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Neb., Sioux City and Omaha said I had consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranteed for coughs, colds and all throat and lung troubles by Anti-Monopoly Drug Store. Price 50c.

Griner Farm.

Special Correspondence Ocala Banner.

We are having fine weather for saving hay, which the farmers are doing as fast as possible.

Mr. and Mrs. James Luffman, of Kerr City, are visiting Mr. Luffman's parents at this place.

The pinder boiling at the school house was a success. There was a large attendance numbering about seventy-five. Songs, recitations, dialogues, etc., were the order of the evening.

Mr. James Luffman's little baby has the diphtheria.

Mr. Charlie Leitner, while mowing hay last Thursday, had the misfortune to sever one of the leaders in his ankle, which made a very severe and painful wound.

Rev. J. G. Graham preached a very interesting sermon here Sunday.

Mr. Charlie Murphy is building a brick chimney to his residence. Mr. Scarborough is building a new house and Mr. B. H. Leitner is finishing up his residence on the inside.

Miss Lizzie Johnson and Miss Alvyta Stevenson are numbered among those on the sick list.

Mr. Charlie Luffman made a flying visit to Grahamville Sunday. We would like to know who the attraction is.

Among our visitors last week we noticed Messrs. Robert and George Stephens.

Messrs. Buford Leitner and Geo. Stevens went to Ocklawaha swamp Friday and killed about twenty-five squirrels.

Children's Day at the State Fair.

Thursday, November 21, has been fixed as "School Children's Day" at the State Fair, and there will be more children seen at Jacksonville on that day than was ever before seen in Florida at any one time.

That, in itself, will be a sight worth seeing.

Alachua will head the list with two thousand and Marion will not be far behind. If other counties do as well the railroads will be taxed to their utmost capacity to handle the numbers.

The admission has been fixed at fifteen cents and exceedingly cheap rates will be secured.

To Cure a Cough.

Stop coughing as it irritates the lungs, and gives them no chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm like common cough expectorants. Anti-Monopoly Drug Store.

Notice.

The next regular semi-annual meeting of the medical examining board of the fifth district of Florida will be held at the Ocala House, Ocala, Monday November 20th, 1901. Session will begin at 2 p. m. Geo. E. WELSH, Secretary.
